

Measure your child's foot by placing the foot on a flat surface with their heel flat against a straight edge. Place a ruler along the foot with one end touching the same straight edge as the heel. Take the length in millimeters from the tip of the big toe to the heel and add 10 mm to get the correct shoe size. These shoes are available in the following sizes:

Foot - bed length mm	Euro	UK	US	AUS
127	20	4	5	4
133	21	5	6	5
140	22	5.5	6.5	5.5
147	23	6	7	6
151	24	7	8	7
158	25	8	9	8

Foot - bed length mm	Euro	UK	US	AUS
164	26	8.5	9.5	8.5
171	27	9.5	10.5	9.5
178	28	10	11	10
184	29	11	12	11
191	30	12	13	12

Foot - bed length mm	Euro	UK	US	AUS
198	31	13	13.5	12.5
204	32	14	1.5	13.5
